Education Department,

Fort St. George, M A D R A S.

Sir;

In submitting enclosed a resolution passed by the public meeting re: the Board Girl's School of Kolachikambla --- Moolky, I have the honour to state that there is a population of over 2500 souls in the village and its surroundings and the --- school is at present well attended to and is considered to be a boon to the locality.

Specially among the masses in this locality there is absolutely little or no impetus given for females education and the closing of the girls school now, when the advantages of femal education is being recognised by the people, would be a great --- blow.

That the School building is also provided free and that it looks strange that the Board should shirk its primary -- responsibility viz., that of imparting education among the rate payers on the plea of want of funds.

That the nearest other girls' school is at a distance of 2 miles and the children have to ford a water channel in the monsoon to reach the school and therefore the continuance of a school at Kolachikambla is a necessity.

Under these circumstances it is hoped that arrangements will be made to retain the present girls' school.

I have the honour to be

Sir,

Your most obedient servant,

M.R. Basappa

The Residents of Kolachikambla, Moolky and its ---- surroundings in public meeting assembled on Sunday the 3rd February 1929, under the Presidency of M. R. Ry. M. K. --- Basappa, Avl., have unanimously passed the following resolution-

This Meeting views with grave concern the News the --- Taluk Board intend closing the Kolachikambla Girls' School from the begining of next official year for want of funds "This meeting is of opinion that a girls' school in this locality is an unavoidable and urgent necessity and every possible effort should be made to retain the School. That the Chairman of the meeting is authorised to move in the matter."

Station Madras *Dated the* 10th July 1929 192

From (Name) R.G. Grieve Esq. ..A., F.R.G.S..

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department

Sir,

With reference to para 5 of this office endorsement R.O.P. No. 26 B-3/28-29, dated 18th March 1929 submitting my remarks on the Budget Estimate for 1929-30 of the Elementary Education fund under the control of the Taluk Board, Mangalore, I have the honour to submit the following report in regard to the closure of nine Board Elementary schools.

2. The Taluk Board, Mangalore resolved to close 9 Board Elementary schools (7 schools for boys and 2 scho for girls) for want of funds and on consequence of the refusal of Government to sanction additional subsidy to wipe off the deficit - vide G.O.Nos. 1523, Law (Education) dated 19th July 1928 and 2011 Mis. Law (Education

dated 17th October 1928. All the nine schools were opened and maintained by the Board from its own funds.

3. With regard to boys' schools, the revival of three has been proposed by means of transferring Provincial subsidies sanctioned to other schools which are reported to be now declining - of the provision of 3 schools proposed to be transferred, 2 schools are maintained with the aid of Provincial grants sanctioned prior to 1st April 1921 (pre-act subsidy) and the other school with the aid of Provincial grant sanctioned in G.O. No. 1598, Law (Education) dated 16th October 1924. The Taluk Board is competent to make the transfer of provisio Please see G.O.No. 2222, Law (Education) dated 16th November 1927. Three other boys' schools are proposed to be re-opened with savings effected by reducing the staffs of other schools. The remaining school is reported to be unnecessary in the locality. The District Educational Officer will however be asked to submit a report to this office in regard to the revival of the six boys' schools.

4. As regards the two girls' schools one of the schools closed is at Kerlachaikambla - in this connection, please see Government endorsement No. 744 A-29-2 dated 19th March 1929 (enclosed). It is proposed to consider in consultation with the District Educational Officer and Inspectress whether it would not be possible to revise them by transferring thereto the provision of schools or teachers found to be superflous in other places or by utilising the subsidies recommended for payment to the Taluk Board, Mangalore for opening two girls' schools in 1929-30 in villages with a population of 2000 and above.

5. In these circumstances, separate action by Government would not appear to be necessary.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

The Director also says that it is proposed to [illegible] three of the boys' schools by transferring provincial subsidies sanctioned to other schools which are reported to be declining, and three more with savings effected by reducing the staff of other schools. The remaining boys' school is reported to be unnecessary. The Director proposes to consider in consultation with the D.E.E. and the Inspectress whether it would not be possible to convert the two girls' schools including the one at Kolachelkantla by transferring them to the provision of school or teachers to the superfluous in other places or by utilizing the subsidies recommended for payment to the Telugu board for opening two girls' schools in 1929-30 in villages with a population of 2000 and above. The Director points out that in the above circumstances [illegible] separate action by Govt appears unnecessary.
